Details of 11-11-25 meeting:</p> <p>Began at 3:30 pm and ended 3:40pm</p> <p>Members present included: Melissa Bien, Bill Soeffing, Jianning Tao, and Indra Chandraskar</p>	

New Protocols

Protocol #	PI	Move to Status	# Yes Votes	# No Votes	# Other Votes	Reconciled
IBC-00000181	Bustos Velasquez, Francisco Juvenal	Pending	4	0	0	Yes
Minutes						
<p>After discussing this registration. The committee wanted to send it back to the PI for 2 areas of clarification. 1)The containment levels noted in the construct table should be BSL2 and 2) verify that no other personnel will be involved with the materials listed.</p> <p>The committee voted to approved pending the completion of the clarifications noted. The chair may approve once these issues are addressed without it coming back to the full committee to view again.</p>						

De Novo Protocols

Protocol #	PI	Move to Status	# Yes Votes	# No Votes	# Other Votes	Reconciled
IBC-00000126	Bustos Velasquez, Francisco Juvenal	Pending	4	0	0	Yes
Minutes						
<p>The committee is sending this back to the PI for some minor clarifications. Areas that need clarification include BSL level consistency, experience of personnel, carcass disposal.</p> <p>Committee voted to approve pending these changes. Once it is submitted with all areas adequately addressed, the chair can approve without it coming back to full committee.</p>						

Protocol #	PI	Move to Status	# Yes Votes	# No Votes	# Other Votes	Reconciled
