

SANFORD PROMISE MIDDLE SCHOOL SUMMER PROGRAMS

FUTURE INNOVATORS

The Future Innovators program is an exciting, hands-on experience designed for middle school students passionate about making a difference through innovation. This program empowers students to explore the intersection of engineering, research, and health care by teaching them the skills needed to become future innovators and problem-solvers. This is a one-day, free program.

June 4th, 2025 | Sioux Falls, SD

June 10th, 2025 | Fargo, ND

June 25th, 2025 | Sioux Falls, SD

August 4th, 2025 | Luverne, MN

FINDING YOUR ROOTS

What is more interesting than you? In this program, students will use science to answer the question "Who am I?" Students will extract and analyze their own DNA, learn about human evolution, and dig into the stories of their ancestors. This is a free, four-day program.

July 22nd–July 25th, 2025

Sioux Falls, SD

Sanford Research

Open to students
grades 6–8

No cost, registration
open February 2nd.
