

SANFORD PROMISE MIDDLE SCHOOL SUMMER PROGRAM

FUTURE INNOVATORS

The Future Innovators program is an exciting, hands-on experience designed for middle school students passionate about making a difference through innovation. This program empowers students to explore the intersection of engineering, research, and health care by teaching them the skills needed to become future innovators and problem-solvers. This is a one-day, free program.

August 4th, 2025 | 8:30am-3:00pm
Minnesota West Community and
Technical College
Luverne, MN

Open to students
grades 6-8

No cost, registration
open February 2nd.
