

SANFORD PROMISE MIDDLE SCHOOL SUMMER PROGRAMS

FUTURE INNOVATORS

The Future Innovators program is an exciting, hands-on experience designed for middle school students passionate about making a difference through innovation. This program empowers students to explore the intersection of engineering, research, and health care by teaching them the skills needed to become future innovators and problem-solvers. This is a one-day, free program.

June 4th, 2025 | 8:30am-3:00pm
Sioux Falls, SD

June 26th, 2025 | 8:30am-3:00pm
Sioux Falls, SD

Open to students
grades 6-8

No cost, registration
open February 2nd.

FINDING YOUR ROOTS

What is more interesting than you? In this program, students will use science to answer the question "Who am I?" Students will extract and analyze their own DNA, learn about human evolution, and dig into the stories of their ancestors. This is a free, four-day program.

July 22nd-July 25th, 2025
Sioux Falls, SD
Sanford Research
